

Practical Principles for Surviving Rapid Change & Chaos

We're living through a time when chaos and uncertainty seem to be the only constants. How do you maintain focus and optimism in the face of so much uncertainty? How do you sift through or avoid being bombarded with information, misinformation and disinformation? How do you access a more reliable source of knowing so that you can make your decisions and live your life based upon your personal goals, intentions and even desires? Well, it's definitely possible to get the answers you seek but only if you're posing the right questions.

How do you know what those questions are?

Please join me for this series on maximizing personal power in the midst of external discord. I assure you it will be a relief to finally know how to get off the emotional and political grids!
